

HUGHES CARRIES
NEW YORK STATE
BY OVER 55,000

The Democrats, Probably,
Have Elected Their Can-
didate for Lieutenant-Gov-
ernor and Perhaps the Rest
of the State Ticket.

COUNT IS COMING
IN VERY SLOWLY

Tammany Judiciary Ticket
Elected--Falling Off Of
Vote From 1904--Hearst's
Plurality in Greater New
York Was 76,983.

New York, Nov. 7.—Chas. E. Hughes,
Republican candidate for governor of
New York, is elected by a plurality
which was placed at 55,000 at noon
today. Wm. R. Hearst carried Greater
New York by a plurality of 76,983.

The Democrats, probably, have elected
their candidate for lieutenant-gov-
ernor, and perhaps the rest of the state
ticket. The final count is coming in
slowly on account of the great amount
of scratching.

Great interest centered here in New
York in the campaign waged for the
judiciary ticket named by a committee
of lawyers headed by Joseph H. Choate
and former Judge Alton B. Parker. The
Tammany and Independence league joint
ticket has won over the non-partisan
candidates by big pluralities.

State Senator Thomas E. Grady of
Troy has been re-elected over
Thomas Rock, who has been known in
the campaign as "Eight-hour Rock," and
who claimed that he had been "tricked"
by the Independence league.

Throughout the state there has been
a notable falling off in the vote from
1904, which was a presidential year.
The Republican ticket showed the great-
est loss in this respect, especially in
the cities.

Two years ago Governor Higgins was
elected on the Republican ticket by a
majority of 80,580.

LIKE SWIMMING UP NIAGARA.

Hearst Says of His Efforts "To Go
Against Power of Trust Money."

New York, Nov. 7.—In the Evening
Journal this afternoon W. R. Hearst
says: "To go against the power of
trust money in this country is like try-
ing to swim up Niagara Falls. We have
made a good swim of it and we shall
get to the top yet; and we start in
swimming today."

RICHARD CROKER
GRATIFIED AT RESULTS

Says That Tammany Should Have a
New Leader and that McCarren
Is the Man for the
Place.

London, Nov. 7.—Richard Croker, the
former Tammany leader, expressed his
gratification this morning over the de-
feat of Hearst. He intimated that the
New York Democrats should have a
new leader and that Senator McCarren
was the man for the place.

REPUBLICAN MAJORITY
IN CONGRESS CUT

Sherman Says It Will Be 50 — The
Democrats Claim That This Will
Be Cut to 35 When the
Returns Are All In.

Washington, D. C., Nov. 7.—The count
thus far shows the election of 211 Re-
publican congressmen and 153 Demo-
cratic. Twenty-seven districts are still
to be heard from. Congressman Sher-
man, chairman of the Republican con-
gressional committee, claims a Republi-
can majority of 30. The Democrats claim
that this will be cut to 33.

THE FLY IN THE OINTMENT.

Democrats Will Draft Oklahoma's State
Constitution.

Washington, D. C., Nov. 7.—The failure
of the labor campaign is a marked
feature of the election. All but two
of the congressmen attacked by Presi-
dent Camp and the labor organ-
ization leaders were elected, and local
conditions are held responsible for these
defeats. The fly in the Republican oint-
ment is that the constitution of the
new state of Oklahoma will be drafted
by Democrats and that Arizona and New
Mexico have rejected the proposed joint
statehood. In Colorado, the Republican
legislature will choose a successor to
Democratic Senator Patterson.

mous Majorities.

GUILD ELECTED
BY 32,000

Moran Had Less Than 13,000
Plurality in Boston

FOUR SENATORS GAINED

For the Democrats—No Election by the
People in New Hampshire—Rhode
Island Elects Democrat Gov-
ernor.

Boston, Nov. 7.—The revised election
figures give Curtis W. Guild 32,000
plurality in the state and 12,938 plu-
rality for John B. Moran in Boston.
The Democrats have gained four sena-
tors, increasing their representation in
the upper house to 13. This and the
election of W. T. A. Fitzgerald as regis-
ter of deeds for Boston are the only
Democratic victories. The Democratic
leaders attribute their defeat to the
lack of campaign funds and the big bo-
odle on the other side. Mr. Moran left
town at 3 o'clock yesterday afternoon
and no one has been able to get a state-
ment from him.

It is learned that Moran, who has gone
to New York, left at 5 o'clock yesterday
afternoon, apparently without waiting
to know whether he was elected. His
supporters declare he will run again.
There is some talk of running him for
mayor of Boston, to punish Mayor Fitz-
gerald for his failure to deliver the Bos-
ton vote.

The Massachusetts delegation to Con-
gress will remain practically the same,
although spirited contests in the fifth,
sixth, tenth and eleventh districts made
the result in these sections doubtful at
an early stage of the tabulation.

Draper's plurality over Drown, Demo-
crat, for lieutenant-governor is 9,925.

Never before, except in the presiden-
tial year when Governor Douglas was
elected, has the total vote cast reached
450,000. The total vote cast was 448,000,
with a surplus of 200 votes. The total
number of voters to the polls as there
was yesterday, not only in Boston, but
throughout the state.

NO CHOICE BY PEOPLE
IN NEW HAMPSHIRE

Floyd, Republican, Received Only 2,000
Plurality and the Election Is
Thus Thrown into the
Legislature.

Concord, N. H., Nov. 7.—Charles M.
Floyd, Republican, for governor, received
2,000 plurality and the election is there-
by thrown into the state legislature.
Both Republican congressmen were elected
by large pluralities.

The most striking item in the usual
Republican majorities came in the large
towns and cities. The Republican stand-
ard bearer was left in the minority in
the cities of Concord by about 2,000,
Manchester by about 750 and in Nash-
ua by a small margin. Such towns as
Milford, Goffstown, Hanover and Derry
—long staunchly Republican for the en-
tire ticket—failed to make the usual
report, some of them going against the
lead of the party ticket for the first
time in a generation. It was a great
big silent vote that affected the ticket
without an appreciable warning.

Five cities voted license yesterday
and the vote was as follows: Manchester
has gone for license by a large margin,
although returns from many wards were
lacking early this morning.

Concord goes no-license.

Keene goes no-license by over 400.
It voted license in 1905 by 1,011 to 921.

Franklin is no-license by the narrow
margin of 602 votes yet to be counted.
Laconia is no-license by 879 to 724
yes.

Nashua, Portsmouth, Dover and Som-
ersworth will be license.

Rochester goes no-license by 200 ma-
jority.

Berlin takes its place in the no-license
column by about the same majority.

RHODE ISLAND ELECTS HIGGINS.

State Swings Back Into the Democratic
Column.

Providence, R. I., Nov. 7.—Rhode Is-
land has swung back into the Democratic
column, Higgins being elected governor
by 1,238. Interest now centers in the
election of United States senator. The
Republicans have 75 out of 110 in the
grand council, which will elect the sena-
tor, but the Democrats rely upon a
split among the three Republican mil-
lionsaires seeking the office.

IN CONNECTICUT.

Woodruff, Republican, Has Plurality of
Over 20,000 in Connecticut.

New Haven, Conn., Nov. 7.—With one
town missing, Woodruff, Republican, for
governor, has a plurality of 20,709 over
Thayer, Democrat.

Reports show that a large Republi-
can majority has been returned for the
entire state ticket, the four district con-
gressmen and for congressmen at large.
There is a slight gain by the Democrats
in the state senate and House of Repre-
sentatives.

TOOK PARIS GREEN.

V. R. Chaplin of East Richford May
Die.

St. Albans, Nov. 7.—V. R. Chaplin
of East Richford is in a critical condi-
tion from the effects of Paris green taken
yesterday.

Fell Through Feed Hole.

St. Albans, Nov. 7.—Eugene Bonor of
Bakersfield was badly injured internally
yesterday by falling through a feed
hole in his barn, about 25 feet.

INVESTIGATE POLICE.

Rutland, Vt. Aldermen Consider Hal-
lowe's Outbreak.

Rutland, Nov. 7.—The board of alder-
men's attention was brought to the mat-
ter of investigating the police by a com-
munication received last night from
Major Pajge relative to the lawlessness
of Hallowe's celebrants.

Alderman H. C. Farrar preferred charges
of drunkenness against two police
officers, and also stated that he did not
think Chief of police J. P. Clifford could
conduct an undertaking business and
properly perform his police duties at the
same time. The discussion resulted in
the committee being directed to thor-
oughly investigate the department
and report at the next meeting of the
board.

G. H. WALDRON PRESIDENT.

Springfield Man Again Head of Vermont
State Humane Society.

Chester, Nov. 7.—George H. Waldron,
who for many years was a resident of
this village, but now of Springfield, has
been re-elected president of the Vermont
State Humane society. Mr. Waldron
held the office for about six years, when
he declined to serve owing to ill health,
during which time much good work was
accomplished through the state by his
efforts as one of the trustees.

STEAMBOAT RAMMED

BY RAILWAY BARGE

Almost a panic on the Steamer When She
Began to Sink and Some Jump
Into Water But All are
Saved Uninjured.

New York, Nov. 7.—The Steamboat
Maine of the New Bedford line was ram-
med by the railway barge Marland,
bearing the Federal Express, in Hell Gate
this morning. The Maine began to sink,
and was run aground off East River
Park just in time to save her 250 pas-
sengers. There was a panic when the
boats struck. Many passengers jumped
into the water but were all finally taken
off in new boats and tugs. There were
no deaths or injuries. The passengers
in the train were shaken from their
seats but not hurt.

EASTMAN QUARRY VACATED.

Settlement Affected With Receivers of
The Columbian Company.

Rutland, Nov. 7.—A settlement was
reached Monday night between the re-
ceivers of the Columbian marble quar-
rying company and George P. Eastman
and John E. Eastman, by which the re-
ceivers vacate the Eastman quarry and
surrender all claims on the property.
The Eastmans started work at the
quarry this morning.

FAVOR FILTRATION.

Burlington Votes, 2 to 1 in Favor of
Plant.

Burlington, Nov. 7.—At the citizens'
meeting held yesterday afternoon and
evening to take a vote on the question
of authorizing the city council to bond
for a sum not exceeding \$75,000 for a
filtration plant the voters declared for
it by a vote of 843 to 456.

A Feature.

A feature of the Lyman H. Howe's
Moving Pictures, which will be shown in
Barre opera house on Thursday, Nov. 8,
is that every picture is vivid with life
and authentic. Each picture, too, is ac-
companied by authentic and ingenious
sounds in unison with every action of
the scene. The spectator sees actual life
itself—life of world-wide travel and
world-wide interest in all its lights and
shades. The program is a stupendous blend-
ing of the humorous with the pathetic,
the educational with the amusing, and
all with a rapidity and precision that
creates its own demand for regular re-
turn visits.

If you have never seen moving pictures
that thoroughly pleased you, go and see
Mr. Howe's masterful production; if you
have seen what you considered pleasing,
go anyway and see those that are infinitely
better—perfect and steady, regardless of
where or when you saw others.

A FLOOD
OF BILLS

Thirty-six Proposed Meas-
ures Introduced

IN LEGISLATURE TO-DAY

Bill for Abolition of Grade Crossings
Passes Third Reading Unopposed
—Other Business of the
Legislature.

Montpelier, Nov. 7.—Thirty-six pro-
posed measures found their way into the
Vermont legislature at the forenoon ses-
sion today. All of them were of little
general importance. Senator Taylor of
Hardwick (by request) introduced a
bill to provide badges for fish and game
wardens. Senator Mosley of Washing-
ton county (by request) a bill to pro-
vide pay for certain officials of the mil-
litia: Senator Stafford of Lamoille to
define duties of state officers and another
by the same to appropriate \$20,000 for
repairs to the state industrial school,
by the same to have purchases of \$100
or more in state institutions to be made
only after advertising and receiving bids
therefor.

Senator Van Patten of Chittenden
county wishes to have Y. M. C. A. build-
ing property exempted from taxation.
Senator Moody of Washington county
would prohibit the use of firearms by
persons under 15 years of age, with a
penalty of not less than \$2 and not
more than \$10. Senator Howland of
the same county would regulate deposi-
ts of public funds.

In the 22 bills introduced in the House
this forenoon were the following: By
Mr. Robinson of Waterbury, making it
impossible for newspapers to recover for
subscriptions after term has expired;
by Mr. Bristol of Wallham to permit
sale of condemned cattle under Mas-
sachusetts regulations and compels the
seller to report details to state cattle
commission; by Mr. Jones of Benson, ex-
empting electric railroads from taxation;
by Mr. Dexter of Maidstone, calling for
times to 3 inches wide for freight carts,
according to weight of load carried; by
Mr. Cady of Northfield (by request) es-
tablishing a municipal court in North-
field; by Mr. Archibald of Manchester
(by request) to prohibit the selling, fur-
nishing, or giving away to minors of
candy containing intoxicating liquor; by
Mr. Jackson of Barre (by request) ir-
revocable and deputies \$2 a day for
attendance on supreme and county
courts and court of chancery.

During the course of the day Governor
Proctor received a great many people
from Barre, each willing to "put a bug
in his ear" about who should be the next
city judge in Barre.

Jack Norton of St. Albans, the Beau
Brummel of the legislature, who adorns
the press table, must keep a lighthouse
for flowering plants, judging from the
variety of his boutonniere.

It is expected that the special train
to carry the legislators to the Barre
quarries will leave the Montpelier &
Wells River station at Montpelier to-
morrow afternoon at one o'clock.

The corridors of the State House
have been frequented for many days
by representatives of the various Ver-
mont railroads, who are opposed to the
bill forcing the abolishment of grade
crossings.

One of the visiting ladies from Barre
yesterday afternoon reported losing her
pocketbook while watching the House
maneuver, which led one despatch to
remark that the legislature was light-
fingered, as well as light-brained, which
we know is not true.

When Mr. Senter explained on the
grade crossing bill that the towns were
to be relieved and that the added ex-
pense was to be put on the state, there
was "nuf sed," for the representatives
jump at any bait which lightens the
burdens of the individual towns which
they represent.

In advocating the passage of the bill
granting greater exemption for savings
bank deposits, Mr. Fletcher of Caven-
dish made the statement yesterday af-
ternoon that there is \$1,500,000 of Ver-
mont money in Albany, N. Y., savings
banks. They are attempting to get
some of this money back into the state.

The visit of the Vermont association
of Boston tomorrow night and Friday
is being anticipated with a great deal
of pleasure. The party will leave Bos-
ton tomorrow forenoon at 11:30 o'clock
and reach Montpelier at about six o'clock.
Among the number expected are two
old Goddard seminary boys, Ralph A.
Stewart and Wado Keyes.

Two years ago there was special leg-
islation in favor of the Bottinckill river
down in Bennington county, the stream
being closed to fishing except during June,
July and August. An effort is now be-
ing made to remove this special legis-
lation and put the Bottinckill fish on the
same basis as the piscatorial contents
of the state.

It is said that there is no
fishing in the state like that afforded
by this stream, and that one of the
principal attractions of the southern
part of the state is this sport, many
summer visitors being attracted there-
by.

ORANGE COUNTY CASES.

Four Argued Before The Supreme Court
Yesterday.

Montpelier, Nov. 7.—Orange county
cases were reached in the supreme court
yesterday. The first argued was Ida P.
Kittredge vs. Albert K. Kittredge. R.
M. Harvey for plaintiff, Darling & Wil-
son for the defendant.

Ella G. Webster vs. the State Mutual
Fire Insurance company was argued by
W. B. C. Stidger for the plaintiff and
Stanley C. Wilson for the defendant.

The Orange county cases of Charles L.
Holman vs. George Edison in which the
plaintiff was awarded in the lower court
a verdict of \$120 damages and costs was
argued this afternoon by M. M. Wilson
for the plaintiff and William Ratchelder
for the defendant.

The last case reached was the Orange
county case of State vs. Joseph Louanis,
threatening. The respondent is now
serving a sentence of not less than nine
months or more than one year in the
House of Correction in Rutland. State's
Attorney M. C. Wilson for the State
Stanley C. Wilson for the respondent.

POST OFFICE
SAFE BLOWN

Burglars Carry Off Nearly
\$1000.

FROM WILMINGTON

Police Says That It Was the Work of
Professionals — They Think That
Nitroglycerine Was
Employed.

Wilmington, Nov. 7.—Burglars entered
the postoffice building yesterday morn-
ing, blew open the safe and stole \$100
worth of stamps and \$200 in cash, be-
sides money orders amounting to \$100
and private papers belonging to Post-
master O. H. Jones, including insurance
policies, notes and bank books.

The safe was a small one. It is evi-
dent that nitroglycerine was used in
blowing off the door. Entrance to the
building was gained by forcing the front
door. Several persons living across the
street heard the explosion, but it did
not cause disturbance enough to arouse
suspicion.

Postmaster Jones discovered the rob-
bery when he went to open the office
at 6 o'clock. Wilmington officers were
notified immediately and they began
work on the case, but up to tonight they
had found no clue. It is believed that
the robbery was the work of profes-
sionals.

MOTHER GOOSE AT
UNIVERSALIST CHURCH

Opens a Three-Day Bazaar With a Large
Number of Visitors—Over
300 Present.

The Ladies' Union of the Universalist
church opened their Mother Goose bazaar
last evening and there was an attendance
that crowded the vestry to the doors.
Over 300 admission tickets were sold.
Mother Goose with her broom, Mrs. F.
T. Cutler, presided over the booth and
Dr. F. M. Lynde, representing the
"King in the parlor" counting over his
money, took the admission fees. Old
King Cole, a merry old soul, was imper-
sonated by F. T. Cutler. The chicken
pie supper which was served from 5:30
to 7 o'clock was a complete success in
every way. Two hundred and fifty
pews were served and the supper was
pronounced excellent by everyone. The sup-
per was under the management of Mrs.
Mason Engle and notwithstanding the
crowded condition of the room the wait-
ers served everyone quickly and well.

The ladies have outfitted themselves in
the elaborate decorations of the booths
and the nice things that they have ar-
ranged to sell. The booths and the
ladies in charge, wearing costumes rep-
resenting different Mother Goose char-
acters, make a very pretty scene. At
the Peter Pumpkin Patch booth, Mrs.
Lillia Moran, Mrs. A. W. Eastman and
Miss Julia Holland are in charge and
they have very handsome hand worked
handkerchiefs for sale. Boo Peep, Mrs.
John Tassie, Little Miss Muffet, Mrs.
Irvin Stoddard, and Red Riding Hood,
Mrs. Charles C. Kenney, are in charge
of the candy and flower booth and Mrs.
A. S. Robinson and Mrs. Agnes Bradford
are at the apron booth. Little Jack
Horner, Fordyce Jackson, watches over
his pie in which there is everything even
to the plum. Following the supper a
short Mother Goose pantomime was given
in a pleasing manner by six Sunday
school children and Miss Lillia Moran
sang a solo very enjoyably. The ladies'
committee which has the bazaar in charge
is composed of Mrs. S. J. Jones, chair-
man, Mrs. S. D. Allen, Mrs. Mason Page,
Mrs. C. N. Benedict, Mrs. R. A. Eastman,
Mrs. A. S. Robinson, Mrs. C. W. Scott,

Governor Proctor Surprised.

Montpelier, Nov. 7.—Governor Proctor
was 45 years of age today and was
the victim of a surprise party shortly
before noon when the Senate, the House
and then a number of school children,
marched into the executive chamber and
extended their hands in congratulation.
Lieut. Gov. Proctor headed the proces-
sion, bearing a bouquet of 46 carnations,
which he presented to the governor.
